ABOUT E-TECH ACADEMY

E-Tech academy is the brainchild of Professor Moonis Syed. Founded in 2008 at Kurla West, we aim to bring to fruition the dream of thousands of aspiring medical, commerce, engineering and board exam students. With 15+ years of experience, E-tech has provided exceptional coaching to many young minds– a legacy that continues till date.

For the last 15 years, we at E-tech have emphasised on helping students understand conceptual knowledge– knowledge that lays the foundation of better results. Our highly qualified teachers are adept at understanding the art of playing to every candidate's potential and bringing out the best in them.

With the latest advances in E-tech at our disposal, we go beyond the chalk and board method of teaching to broaden our students' horizon. As long as there is dedicated effort from your end, our exclusive courses are bound to get results (as testified by our past experience). At E-tech, we equip every student with the right infrastructure, ambience, faculty and experience that they need to excel.

Transforming Dreams To Reality Since 2008

Why Parents & Students Choose

15+ Years of Experience

10000+ Students

Remarkable Results

Novel Teaching Methods

Highly Qualified Faculties

Concise Study Material

Focused on building a strong foundation.

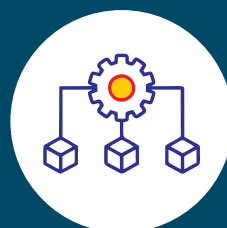

Regular Test & Monitoring

Mock test for every chapter and timely feedback to parents.

Personalised Attention and Feedback

tailored approach with tutors available for doubt solving throughout.

Well Equipped Infrastructure

with a Study room for student to use their self-study time effectively.

General Information

Parent–student Counselling

When there seems to be a lack of commitment from children, efforts are made to get the parents and students both involved one-on-one. Every student's attendance and test scores are intimated on a regular basis by phone, SMS, or email.

Attendance

Attendance is mandatory for all lectures and examinations. Absenteeism is strongly discouraged, and only in an emergency will it be okay. Parents are asked to make sure that their kids show up on time and regularly for classes and tests.

Periodical tests & mock tests

Regular tests are an important part of the coaching programme and are scheduled throughout the course. This incorporates Daily Practice Problems (DPP) as an added feature to ensure daily syllabus revision. In each subject, tests are given chapter by chapter, combination chapters, and the entire curriculum. To ensure accuracy and comparative rankings, test papers are computer scored.

Faculty

Each faculty member is professionally certified and experienced, ensuring special attention to each student's individual needs and shortcomings.

Student Responsiveness

We work hard to help our students, and we expect them to do the same with sincere efforts.

Study material & study room for students

The study materials are authentic, thorough, and brief, and are professionally printed books/booklets. These eliminate the need to purchase or consult other books. We also have an exclusive study room designed for those who wish to self study in our premises. Study center facility is chargeable separately as per the required number of hours on monthly basis.

Discipline

Disruptive behaviour and/or noncompliance with the institution's norms and regulations would exclude students from continuing enrollment, exclusively at the expense and danger of the student's own future. No portion of the payments would be returned in such circumstances.

Our Goal

- To deliver top-notch results with personalised attention to every student's strengths and weaknesses.
- To lay foundational knowledge and build concepts strong enough to last a lifetime.
- To groom and mould students to become thinkers and leaders.
- To ensure that every student that enrolls with us leaves with a fulfilled dream.

Tips to Study Smarter

FIND YOUR SPACE

Your study space should inspire you & make you comfortable. Make sure it's distraction free, though!

REVISE & REVIEW

Revising your work is the best way to make it stick. Quiz yourself, use the spaced repetitions method or make flashcards to truly understand and grasp your topics.

PICK YOUR TIME

Find a time that suits you. Some students study better at night, while others ace in the morning. Don't push yourself when you're tired- it won't work!

SET A GOAL

Write your goals whenever you begin. Make sure that they are:

- Specific
- Measurable
- Achievable
- Relevant
- Timed

TAKE A BREAK

All work and no play makes Jack a dull boy. Make sure you take short breaks in between your study time, walk around or do something you like to ensure your work is more efficient.

MAKE A PLAN

Use a wall calendar or your phone calendar to set up a todo list. Whenever you have a huge chapter to do, break it down into small chunks. Also, set up an alarm as a reminder to keep you on track.

JUST ASK

Don't hesitate in asking for help. If you're stuck- simply ask your friends or family members. They might help you see your problems in a different light.

STAY HEALTHY

A healthy mind needs a healthy body. Make sure you're eating well and drinking plenty of water while you're studying.

FIND YOUR STYLE

Understand and assess your learning style. Do you understand best by seeing, listening or doing?

BE MOTIVATED

Use your goals and study space to keep you motivated. Stick up quotes or reminders that inspire you- they may help you remember what you're working towards.

Entrance Exam Details

Choosing the commerce stream in class 12 opens up a world of diverse career opportunities, including finance, accounting, business management, and law. To pursue higher education in these fields, students can take various entrance exams after completing their 12th grade.

These exams act as gateways to specialized programs like Chartered Accountancy (CA), Company Secretaries (CS), and Chartered Financial Analyst. However, many students are unaware of these entrance exams.

ENTRANCE EXAMS FOR COMMERCE : ELIGIBILITY CRITERIA	
COURSE NAME	ELIGIBILITY CRITERIA
Chartered Accountancy (CA)	Class 12 with at least 50% marks (aggregate) from a recognized board.
Cost and Management Accounting (CMA)	Candidates must have passed class 12 from a recognized board.
Company Secretary (CS)	Class 12 from a recognized board with at least 50% marks (aggregate).
Actuarial Science Courses	Candidates must have completed Class 12. Appearing candidates can also apply.
Chartered Financial Analyst (CFA)	Bachelor's or equivalent degree from a recognized university/college. Should have a combination of higher education acquired over at least 4 years and/or work experience of 4000 hours.
Certified Public Accountant (CPA)	Must have completed 10+2 with commerce, with mathematics, economics, and accounts as core subjects. Must have a bachelor's degree in accountancy
MAH MBA CET	Candidates must complete their bachelor's degree by attaining a minimum of 50% marks (45% for reserved category). Candidates in the final year of their UG program are also eligible to apply.
CLAT (Common Law Admission Test)	You must have at least 45% overall in your Class 12 exams or an equivalent qualification from a recognized board or institution. However, the minimum required percentage for candidates in the SC/ST category is 40%.
PGDM (Post-Graduation Diploma in Management)	The students must have completed their graduation from a UGC recognized university with a minimum aggregate of 45-50% marks for unreserved category, and 40-45% marks for reserved category.

1. MAH MBA CET

Completing an MBA program demonstrates a commitment to learning, improving, and applying skills that can help a company succeed. Additionally, professionals with MBAs feel a greater sense of confidence in their marketability, as well as the wealth of information they can bring to various endeavors. The Master of Business Administration (MBA) degree program at E-Tech Academy is designed to equip students with professional and practical management techniques across all key functional domains.

Exam Pattern

Modes of Exam	Online
Types of Questions	MCQs
Medium of MAH-CET Exam	English
Number of Sections	4 Sections
	<ul style="list-style-type: none">• Logical Reasoning• Abstract Reasoning• Quantitative Aptitude• VARC
MAH-CET Exam Duration	150 Minutes
Sectional Time Limit	NO
Total No. of Questions	200
Total No. of Questions	300
Number of answer choices per question	5 Options
Marking Scheme	+1 Marks for each correct answer
Negative Marking	NO

2. CLAT (Common Law Admission Test)

The full form of CLAT is the Common Law Admission Test. CLAT is conducted for admission to 5-year integrated LLB (UG) and one-year LLM (PG) courses. The exam is conducted for admission to 24 NLUs for UG courses and 21 NLUs for PG courses. Apart from the NLUs in India, 61 other private affiliated colleges consider CLAT Scores and several PSUs accept it for recruitment.

Exam Pattern

FEATURES	5-YEAR LLB	3-YEAR LLB
Exam Mode	Pen-and-Paper Mode	Pen-and-Paper Mode
Exam Duration	2Hours	2Hours
Types of Questions	Multiple-Choice Questions (MCQs)	Multiple-Choice Questions (MCQs)
Total Questions	150 Questions	120 Questions
Maximum Marks	150 Marks	120 Marks
Test Language	English	English
Marking Scheme	- 1 For Correct Answer - 0.25 for Incorrect Answer	- 1 For Correct Answer - 0.25 for Incorrect Answer

3. CA FOUNDATION

CA Foundation Exam is a beginner's gateway into the world of Chartered Accountancy. It is the first hurdle you need to cross in order to get your foot in the door with a career in CA. It might be the easiest one to crack out of all three CA exams, but it's still a vital step in your CA journey and you'd want to make sure you don't miss a beat.

ELIGIBILITY	The candidate can register for CA Foundation after passing the secondary school examinations (Class-X) and appear in the foundation exam after qualifying for the 12th examinations. ICAI has allowed provisional registration for 10th class passed students.
TEST MODEL	CA Foundation is a partially subjective and a partially objective test comprising the following four papers 1. Principles & Practice of Accounting 2. Business Laws & business Correspondence & Reporting 3. Business Mathematics, Logical Reasoning & Statistics 4. Business Economics & Business & Commercial Knowledge The first two papers are subjective while the latter two are objective. Each paper is worth 100 marks for a total of 400 marks.
REGISTRATION	A candidate has to register for CA Foundation Course by filling up the online registration form available on the ICAI website. The last date for registration is December/June for the May/Nov terms of examination. Registration for the CA Foundation course is valid only for three years.
DATES OF THE EXAMS	Exams for the CA Foundation are held in May and November. ICAI announces the CA Foundation exam schedule in the month of July for the November term of examination and in the month of January for the May term of examination
EXEMPTION	Graduates, post-graduates and students with equivalent degrees are exempt from the course requirement. Commerce graduates with 55% and other graduates with 60% marks can take direct admission for the CA Intermediate
